406 MHz EPIRB Registration (Fiji coded beacons only)

This form is to be used for registering 406 MHz EPIRBs that are coded with the Fiji country code and shall serve as a record of all EPIRBs installed on Fiji registered Ships. The owner shall accurately complete this form. The completed form will aid the Authority in maintaining a current EPIRB Register for Search and Rescue (SAR) purposes.

Registration is FREE.

If you have a beacon coded with a foreign country code, or if you do not know what country, code has been used, please check online at www.cospas-sarsat.org/beacondecode

Information contained in this form is critical to your safety and to successful SAR response.

When entering information, you must include details in the following sections:

- Reason for registration;
- EPIRB details:
- Use of Beacon:
- Owner/Operator details;
- Supplier details;
- Alternative 24 Hour Emergency Contacts; and
- Ship details.

Completed forms should be sent to:

Safety, Compliance & Response Division, Maritime Safety Authority of Fiji Level 4, Kadavu House, Victoria Parade GPO Box 326 Suva Fiji

Phone: +679 3315 266 Fax: +679 3313 127 Email: msi@msaf.com.fj

Definition

EPIRB - Emergency Position-Indicating Radio Beacons are for maritime use and designed to float upright in water.

PRIVACY STATEMENT

The Maritime Safety Authority of Fiji (MSAF) collects the information on this form for the purpose of enabling Search and Rescue. MSAF is able to collect this information under Section 30, Part 13 of the Marine (Fiji Maritime Code) Regulations, 2014.

The information may be passed to other government agencies assisting in search and rescue operations.
